WARRANTS, REGULATIONS, ETC.

THE VICTORIA CROSS WARRANTS.

VICTORIA R.

WHEREAS WE, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of officers of the lower grades in Our naval and military service, or of warrant and petty officers, seamen and marines in Our navy, and non-commissioned officers and soldiers in Our army, and whereas the third class of Our most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both services, and the granting of medals, both in Our navy and army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our heirs and successors, institute and create a new naval and military decoration, which We are desirous should be highly prized and eagerly sought after by the officers and men of our naval and military services, and are graciously pleased to make, ordain and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the distinction shall be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of bronze, with Our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the navy, and by a red riband for the army.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained that the Cross shall only be awarded to those officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Victoria Cross—*contd.*

Seventhly.—It is ordained that the decoration may be conferred on the spot where the act to be rewarded by the grant of such decoration has been performed, under the following circumstances:—

I. When the fleet or army, in which such act has been performed, is under the eye and command of an admiral or general officer commanding the forces.

II. Where the naval or military force is under the eye and command of an admiral or commodore commanding a squadron or detached naval force, or of a general commanding a corps, or division or brigade on a distinct and detached service, when such admiral, commodore, or general officer shall have the power of conferring the decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a commanding officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the captain or officer commanding his ship, or to the officer commanding the regiment to which the claimant belongs, and such captain or such commanding officer shall report the same through the usual channel to the admiral or commodore commanding the force employed on the service, or to the officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the decoration.

Ninthly.—It is ordained that every person selected for the Cross, under Rule Seven, shall be publicly decorated before the naval or military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under Rule Eight shall receive his decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the naval or military commander of the forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War, and of Our commander-in-chief of Our army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the navy, confer the decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of seamen and marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the admiral, general, or other officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them, then in such case the admiral, general, or other officer commanding may direct that for any such body of seamen and marines, or for every troop or company of soldiers, one officer shall be selected by the officers engaged for the decoration; and in like manner one petty officer or non-commissioned officer shall be selected by the petty officers and non-commissioned officers engaged; and two seamen or private soldiers or marines shall be selected by the seamen, or private soldiers, or marines engaged respectively for the decoration; and the names of those selected shall be transmitted by the senior officer in command of the naval force, brigade, regiment, troop, or company, to the admiral or general officer commanding, who shall in due manner confer the decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every warrant officer, petty officer, seaman, or marine, or non-commissioned officer or soldier, who shall have received the Cross, shall, from the date of the act by which the decoration has been gained, be entitled to a special pension of Ten Pounds a year, and each additional Bar conferred under Rule

Victoria Cross—*contd.*

Four on such warrant or petty officers or non-commissioned officers or men shall carry with it an additional pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said decoration shall have been conferred by an especial warrant under Our Royal Sign Manual, and the pension conferred under Rule Fourteen shall cease and determine from the date of such warrant. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the decoration and pension.

Given at Our Court at Buckingham Palace, this twenty-ninth day of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith:

To all to whom these presents shall come, greeting.

WHEREAS, by a Warrant under Our Royal Sign Manual, countersigned by one of Our Principal Secretaries of State, and bearing date at Our Court at Buckingham Palace, the twenty-ninth day of January, one thousand eight hundred and fifty-six, in the nineteenth year of Our reign, We did constitute and create a new naval and military decoration, to be styled and designated the Victoria Cross, which decoration We expressed Our desire should be highly prized and eagerly sought after by the officers and men of Our naval and military services, and did also make, ordain and establish the rules and ordinances therein set forth for the government of the same, to be thenceforth inviolably observed and kept.

And whereas, during the progress of the operations which We have undertaken against the Insurgent native tribes in Our Colony of New Zealand, it has happened that persons serving in the Local Forces of Our said Colony have performed deeds of gallantry, in consideration of which they are not, according to the strict provisions of Our said recited Warrant, eligible for this high distinction.

Now know ye, that We, of Our especial grace, certain knowledge, and mere motion, have thought fit hereby to signify Our Royal Will and Pleasure, that the said decoration may be conferred on such persons aforesaid, who may be qualified to receive the same in accordance with the rules and ordinances made, ordained and established by Us for the government thereof, by Our said recited Warrant, and we do by these presents for Us, Our heirs and successors, ordain and appoint that it shall be competent for such persons aforesaid to obtain the said decoration, in the manner set forth in the rules and ordinances referred to, or in accordance with such further rules and ordinances as may hereafter be made and promulgated by Us, Our heirs and successors, for the government of the said decoration, provided that it be established in any case that the person was serving with Our Troops, under the orders of a general or other officer, under circumstances which would entitle an officer or soldier of Our army to be recommended for the said decoration, in accordance with the rules and ordinances prescribed in Our said recited Warrant, and provided also that such person shall be recommended for it by such General or other Officer.

Victoria Cross—*contd.*

And We do further, for Us, Our heirs and successors, ordain and appoint that the said decoration may also be conferred, in accordance with the rules and ordinances prescribed in Our said recited Warrant, and subject to the provisoes aforesaid, on such persons as may be qualified to receive the same in accordance with the said rules and ordinances who may hereafter be employed in the Local Forces raised, or which may be raised, in Our Colonies and their dependencies, and who may be called upon to serve in co-operation with Our Troops, in military operations which it may be necessary to undertake for the suppression of rebellion against Our authority, or for repelling invasion by a Foreign enemy.

Given at Our Court at *Osborne House*, *Isle of Wight*, this first day of *January*, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's Command,

J. PEEL.

VICTORIA R.

WHEREAS doubts have arisen as to the qualification required for the decoration of the Victoria Cross, and whereas the description of such qualification in Our Royal Warrant of twenty-ninth day of January, one thousand eight hundred and fifty-six is not uniform, Our Will and Pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy;" and that Our Royal Warrant of the twenty-ninth day of January, one thousand eight hundred and fifty-six, shall be read and interpreted accordingly

It is Our further Will and Pleasure that officers and men of Our Auxiliary and Reserve Forces (naval and military), shall be eligible for the decoration of the Victoria Cross, under the conditions of the said Warrant, as amended by this, Our Warrant.

Given at Our Court at *Osborne*, this twenty-third day of *April*, one thousand eight hundred and eighty-one, in the forty-fourth year of Our reign.

By Her Majesty's Command,

HUGH C. E. CHILDERS

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India to all to whom these presents shall come, greeting.

WHEREAS, by a Warrant under Our Royal Sign Manual, countersigned by one of Our Principal Secretaries of State, and bearing date at Our Court at Buckingham Palace, the twenty-ninth day of January, one thousand eight hundred and fifty-six, in the nineteenth year of Our reign, We did constitute and create a new naval and military decoration, to be styled and designated "the Victoria Cross," which decoration we expressed Our desire should be highly prized and eagerly sought after by the officers and men of Our naval and military services, and did also make, ordain and establish the rules and ordinances therein set forth for the government of the same, to be thenceforth inviolably observed and kept.

And whereas, by another Warrant under Our Royal Sign Manual, countersigned by one of Our Principal Secretaries of State, and bearing date at Our Court at Windsor, the twenty-ninth day of October, one thousand eight hundred and fifty-seven, in the twenty-first year of Our reign, We thought fit to signify Our Royal Will and Pleasure, that the said decoration shall be conferred on the officers and men of the naval and military services of the East India Company, who may be qualified to receive the same

Victoria Cross—*contd.*

in accordance with the rules and ordinances made, ordained and established by Us, for the government thereof, by Our first recited Warrant, aforesaid.

And whereas it has been represented to Us that the Members of the Indian Ecclesiastical Establishments, although not receiving military commissions, are liable to be attached to an army in the field, and are then required to perform the same duties as the commissioned chaplains of Our army, who are eligible for this decoration.

Now know ye that We of Our especial grace, certain knowledge and mere motion have thought fit hereby to signify Our Royal Will and Pleasure, that the said decoration shall be conferred on such persons as aforesaid, who may be qualified to receive the same in accordance with the rules and ordinances made, ordained and established by Us, for the government thereof, by Our said first recited Warrant, and We do by these presents for Us, Our heirs and successors, ordain and appoint that it shall be competent for such persons as aforesaid to obtain the said decoration in the manner set forth in the rules and ordinances referred to, or in accordance with such further rules and ordinances as may hereafter be made and promulgated by Us, Our heirs and successors, for the government of the said decoration, provided that it be established in any case that the person was serving, for the time being, under the orders of a general or other officer in command of troops in the field.

Given at Our Court at *Osborne House, Isle of Wight*, this sixth day of *August*, one thousand eight hundred and eighty-one, in the forty-fifth year of Our reign.

By Her Majesty's Command,

HUGH C. E. CHILDERS.

EXTENSION OF THE DECORATION OF THE VICTORIA CROSS TO THE NATIVE OFFICERS, NON-COMMISSIONED OFFICERS AND MEN OF THE INDIAN ARMY.

GEORGE R. I.

GEORGE, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come, Greeting.

Whereas Her Majesty, Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Buckingham Palace, the twenty-ninth day of January, one thousand eight hundred and fifty-six, in the nineteenth year of Her reign, did institute and create a new naval and military decoration, to be styled and designated the "Victoria Cross," which decoration She expressed Her desire should be highly prized and eagerly sought after by the officers and men of Her Naval and Military Services, and did also make, ordain, and establish the rules and ordinances therein set forth for the government of the same, to be thenceforward inviolably observed and kept.

And whereas for divers reasons Us thereunto moving, We are desirous of rewarding the individual gallant services of native officers, non-commissioned officers and men of Our Indian Army by the bestowal of the said decoration, which We are desirous shall be highly prized and eagerly sought after by the said native officers, non-commissioned officers and men.

Now know ye that We, of Our especial grace, certain knowledge, and mere motion, have thought fit hereby to signify Our Royal Will and Pleasure that the said

decoration shall be conferred on the native officers, non-commissioned officers and men of Our Indian Army who may be qualified to receive the same, in accordance with the rules and ordinances made, ordained and established for the government thereof by the said recited Warrant, and We do by these Presents, for Us, Our Heirs and Successors, ordain and appoint that it shall be competent for the native officers, non-commissioned officers and men of Our Indian Army to obtain the said decoration in the manner set forth in the rules and ordinances referred to, or in accordance with any further rules and ordinances which may hereafter be made and promulgated by Us, Our Heirs and Successors, for the government of the said decoration.

And We do further, for Us, our Heirs and Successors, ordain and appoint that in place of the special pension conferred by the fourteenth rule of the said recited Warrant, every native officer who shall have received the Cross shall from the date of the act by which such decoration has been gained be entitled to a special pension of five hundred and twenty-five rupees a year, and each additional bar conferred under the fourth rule on such native officer shall carry with it an additional pension of one hundred andfifty rupees a year. In the case of a warrant or non-commissioned officer or soldier the special pension shall be one hundred and fifty rupees, with seventy-five rupees additional for each additional bar. On the death of a recipient of the Cross these pensions shall be continued to his widow until her death or re-marriage.

Given at Our Court at St. James's, this 21st day of October, in the second year of Our Reign, and in the year of Our Lord one thousand nine hundred and eleven.

By His Majesty's Command,
HALDANE OF CLOAN.

THE STATUTES OF THE DISTINGUISHED SERVICE ORDER.

Firstly.—It is ordained that this order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly.—It is ordained that the order shall consist of the Sovereign, and of such members or companions as We, Our heirs or successors, shall appoint.

Distinguished Service Order—*contd.*

Thirdly.—It is ordained that We, Our heirs and successors, Kings and Queens regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India are, and for ever shall be, Sovereigns of this order.

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

ORDERS.

1. It is The King's wish that no subject of His Majesty in the service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:

(*a*) By Warrant under the Royal Sign-Manual, or

(*b*) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases:—

For a Decoration conferred—

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

**In the case of decorations awarded in recognition of services under the Red Cross, permission will only be granted where such services have been rendered in a war in which the Empire has itself been engaged, and by persons serving under one of the officially recognised British voluntary aid societies or under similar societies of Allied States duly recognised by the Governments of those States.*

4. Private or restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Private permission will generally be given in the folloowing cases:—

For a Decoration conferred:—

(1.) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited;

**Vide notification dated Foreign Office, 18th September, 1915, which appeared in London Gazette of 21st September, 1915.*

Foreign Orders—*contd.*

6. The desire of the Head of a Foreign State to confer upon a British subject in the service of the Crown the Insignia of an Order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by The King, a notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or private, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept the Decoration of a higher class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

MEDALS.

10. Medals which constitute a particular class of a Foreign Order are subject in all respects to the Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant.

11. The King's unrestricted permission to accept and wear a Foreign Medal will only be given in the case of a Foreign Medal conferred by the Head or Government of a Foreign State for saving or attempting to save life at sea or on land.

**In the case of Medals for Red Cross services, permission will only be granted subject to the fulfilment of the conditions laid down in Rule 3 above.*

12. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's licence, and (2) Military or Naval Attachés or other Officers officially attached to Foreign Armies or Navies during hostilities.

13. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

14. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates or Possessions.

15. Ladies are subject to the Regulations in all respects in the same manner as men.
